INDUSTRIAL PROPERTY GROUP

The professionals at Markeim Chalmers are highly skilled in the area of industrial real estate, working with clients who need smaller “flex” or mid-side office/warehouse properties and those that require large manufacturing or distribution facilities. From “clear” ceiling height to the right number and type of loading docks, these are just some of the defining characteristics used in the evaluation process. Our Industrial Property Group has the insight to take clients through each step of a real estate transaction.

Experienced. Connected.
